Turkey Trouble Slider

Thanks so much for downloading our activity calendar!

Preparing the Pages

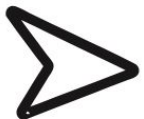

Download and print the pages. Laminate them for durability, if you'd like to make them reusable.

Completing the Pages

Cut apart the main turkey page so that you have two slider bases. Cut on the dotted lines without cutting through the frame.

There are two versions of the sequencing strips. One strip has the pieces in order already on the slider. The other allows kids to color and cut out the pieces before pasting them on the blank slider.

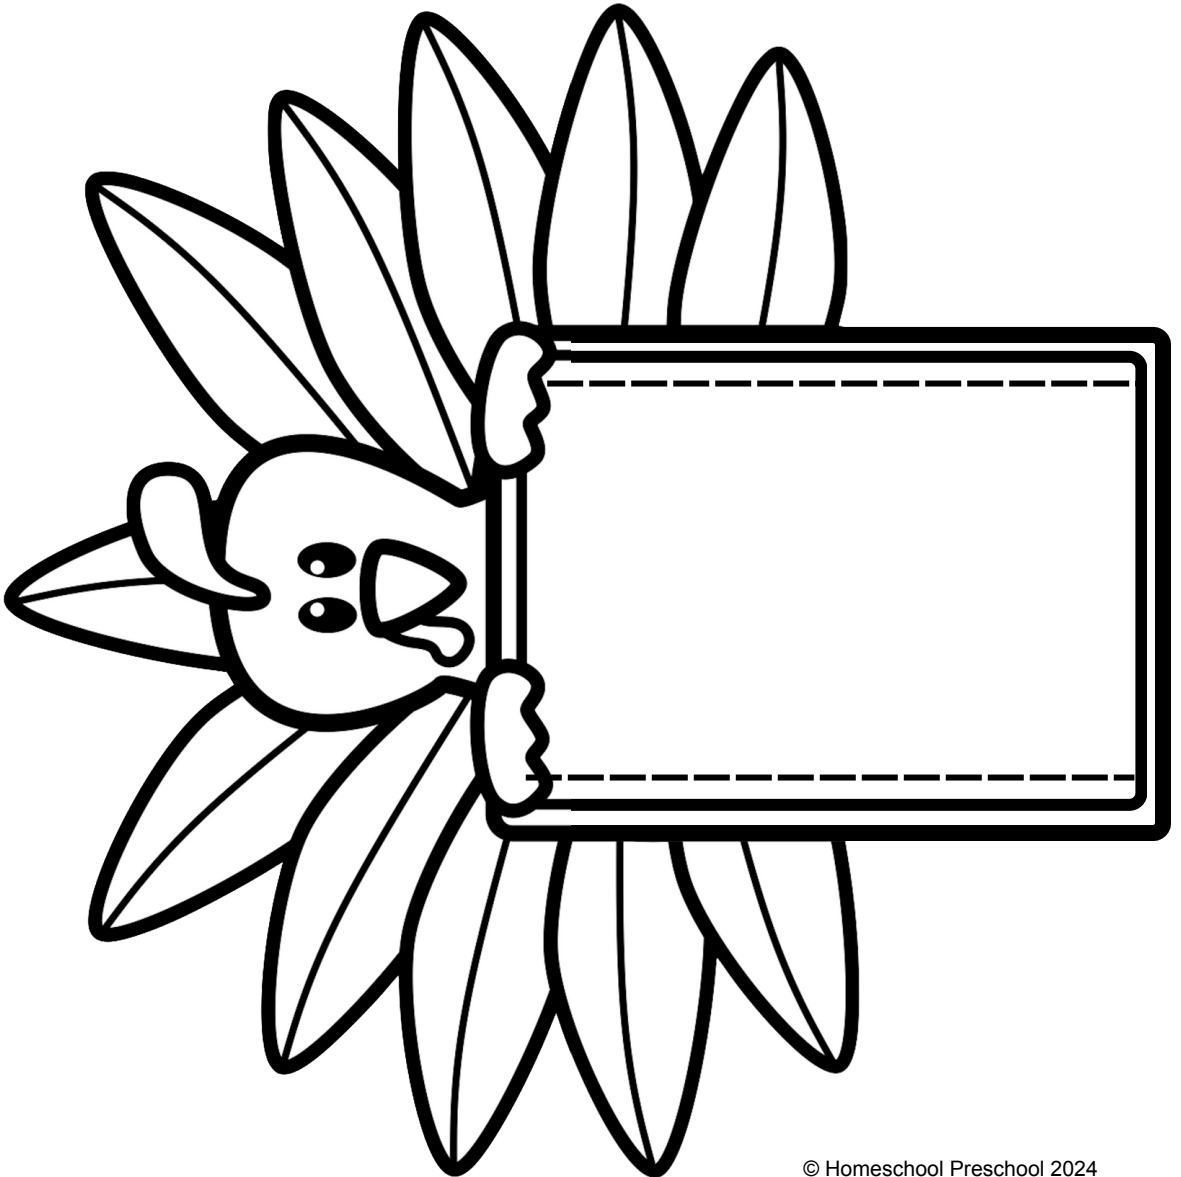

Thread the slider through the slits and have kids retell the story.
